1. Call Aim

Centro Ceibal para el Apoyo a la Educación de la Niñez y la Adolescencia calls for International Open Tender for the acquisition of Micro:bit programmable devices and accessories.

The bidder may offer the product Micro:bit Go Bundle, Micro:bit Club Bundle, Micro:bit Expansion pack.

- Micro:bit Go Bundle
- Micro:bit Club Bundle
- Micro:bit Expansion pack

The bidder may quote services and / or value-added products as didactic material or virtual courses as optional.

The offer must be submitted according to the specifications of section 3. OFFER.

2. Products to quote

The bidder must quote at least one of the following options and each one separately:

2.1 Micro:bit Go Bundle

Bundle that includes a board, power supply and USB cable.

2.2 Micro:bit Club Bundle

Club Bundle that includes a board, power supply and USB cable in packs of 10.

2.3 Micro:bit Expansion pack

Micro:bit Expansion packs must have at least: 10 Micro:Bit boards, 10 servo, 10 mini speakers, 10 support for batteries -2xAA, 10 USB micro-B cables, 10 packs of crocodile cables, and 10 packs of cables Jumper Standard 7 inches M / M.

In any case the Micro: bit board must have installed the latest firmware version available at the time of shipment.

2.4 Optional

Among the desirable services are didactic material, courses and / or workshops, other kits and extenders that enhance the use of Micro: bits, as well as other value-added services.

If an additional cost is assumed, it must be quoted separately.

3. Offer

The bidder must present the offer by completing the following quotation table:

Product		Unit price according to volume (CIF MVD)				
		Less than 5.000	Between 5.000 and 10.000	Between 10.001 and 20.000	Between 20.001 and 40.000	More than 40.001
3.1.1	Micro:bit Go Bundle					

Product		Unit price according to volume (CIF MVD)				
		Less than 500	Between 500 and 1000	Between 1001 and 2000	Between 2001 and 4000	More than 4001
3.1.2	Micro:bit Club Bundle					

Product		Unit price according to volume (CIF MVD)				
		Less than 500	Between 500 and 1000	Between 1001 and 2000	Between 2001 and 4000	More than 4001
3.1.3	Micro:bit Expansion pack					

** It is not necessary to quote in all the columns in case of not being able to fulfill the demand.

Optional

In the case of offering products and / or optional services and / or of added-value, when they are not included in the price, they must be quoted separately.

4. Guarantee

The bidder shall guarantee that the products supplied under the contract are new, complete, without use and that they shall be free from defects attributable to the design, materials, manufacture, storage conditions (packaging, appropriate temperature and humidity), transfer or any other act or omission of the bidder that could be manifested on the occasion of the normal use of the products in the prevailing conditions in the country.

Centro Ceibal will assume a guarantee period of at least 6 months from arrival.

5. Term and delivery conditions

In case the order does not exceed the third quote column - see tables - (Micro: bit Go Bundle is less than 20,000 units, Micro: bit Club Bundle is less than 2,000 units and the Micro: bit Expansion pack is less than 2,000 units) It is desirable that the provider has a **single shipment with ETA Montevideo before the 15th of February 2019.**

In case of overcoming the aforementioned, **It is desirable that the rest of the purchase, arrives in a second shipment with ETA Montevideo before April 15, 2019.**

These deadlines are adjusted to the Uruguayan school year schedule and the delivery plan.

In case of not being able to comply with these maximum terms, the bidder must specify the delivery terms in the offer.

Centro Ceibal may request to adjust the arrival schedule with the awarded supplier.
